7. On October 3, 2022, an FBI Under Cover Employee 2 (UCE 2) was in a Kik group, when an individual utilizing Kik ID: paintchip5, Kik display name: IRVIN DAVIDSON, posted five videos:

**Video 1:** A color video approximately 1 minute and 31 seconds in length of a prepubescent female child on her hands and knees at the bottom of a bed. The child is wearing a type of bikini. Another prepubescent female child is at the head of the bed, and only comes into frame for a brief period. The second prepubescent female is fully nude. An adult male is at the bottom of the bed and nude from the waist down. The adult male's erect penis is penetrating the anus or vagina of the child wearing the bikini for the duration of the video.

**Video 2:** A color video approximately 2 minutes in length of a prepubescent female child, based on her size and features, lying on her side. The video begins with the child's pants pulled down and an adult male beside her. The adult male's erect penis is penetrating the child's anus. The adult male withdraws his erect penis from the child's anus and pulls her pants up around her waist. The video then cuts to the same child and adult male. The child is on her side with different clothing on. The adult male repeatedly forces his erect penis to penetrate the child's anus. At approximately 1 minute and 20 seconds into the video the child says "no".

**Video 3:** A color video approximately 12 seconds in length of a prepubescent female child, based on her size and features, lying on her back. Her legs are bent behind her head with her genitalia fully exposed. A fully nude adult male is above the child and forcing his erect penis to penetrate the child's vagina for the duration of the video. The adult male is holding the child down and directs her to look at the camera.

**Video 4:** A color video approximately 1 minute and 13 seconds in length of a fully nude prepubescent female child lying on her back. An adult male kisses her on the mouth, then spreads her legs and licks her genitalia. The video cuts to the fully nude prepubescent female child lying on her stomach and the fully nude adult male on top of her. The genitalia of both the child and male are not visible, but it appears the adult male is forcing his penis to penetrate the child's anus or vagina.

**Video 5:** A color video approximately 31 seconds in length of a fully nude prepubescent female child squatting on what appears to be a couch. A clothed prepubescent female child is beside the nude child and holding a cylindrical object under the nude child. The object is penetrating the nude child's vagina for the duration of the video.
